

Elmdale Tennis BOD May 24, 2021

Present: Mike Hine, Joel Diener, Caroline Pope, Patrick Faloon, John Findlay, Theo BK

1. Enforcement of mask-wearing upon entry of club. Discussion of member who refused to wear mask. Member claimed a medical condition that would not allow them to wear a mask. The city mask policy was enforced and the member was denied entry. The Board agreed that the city policy should be enforced and that it should be communicated to the member that a face shield could be used as an alternative to accommodate their medical condition until the mask restrictions are lessened.
2. The Board decided to not offer camps this year. The uncertainty about the timing of restrictions being lifted and subsequent access to the club house when the weather is poor were cited as the major determining factors.
